The National Student Experience Survey (SES) is now open. The feedback you provide is very important and the survey results will help UNSW and the government to improve the university experience for current and future students. The results are available to students on the Compared website.

Find your link in Moodle or watch out for an email from the Social Research Centre (SRC). All responses are confidential.

The National Student Experience Survey (SES) is now open. Take the survey before it closes on 11 October, 2020.
