ACICIS - Virtual Public Health Study Tour Program in Indonesia – Summer 2020/2021

Published: 24 September 2020

Highlights

- The Virtual Public Health Study Tour is a two-week intensive study tour that offers students a change to gain insight into the public health sector in Indonesia. Students will learn from leading health professionals and discuss approaches to health issues with Indonesian university students.
- Collaborate with Indonesian peers and learn from leading health professionals while gaining insight into major public health challenges (including COVID-19).
- The virtual tour will be facilitated by a leading academic in the field of public health who possesses specialised knowledge of Indonesia.

Program Inclusions: Seminars, tutorials and guided activities (28 hours), virtual field trips, Indonesian language classes and interactive cultural activities (26 hours), group discussions and presentations in collaboration with University of Indonesia students (16 hours), reflective journal writing (8 hours), and independent study (32 hours).

Program Partner: University of Indonesia

No background in Indonesian language is required to participate in this tour.
Students from the following disciplines are welcome to apply: Public Health, Epidemiology, Occupational Health and Safety, Environmental Health, Health Promotion, Community Health, and Health Sciences.

New Colombo Plan Virtual Mobility Grants are available to eligible UG students from UNSW.

**Apply**

Students should register their interest at [http://unswaglobal.education/st-application](http://unswaglobal.education/st-application) by 18 October 2020. If you wish to transfer credit for the program, you must seek approval from your faculty for credit transfer through Cross-Institutional Enrolment. For more information see - [Applying for credit and funding for your overseas short course](#).

**Risk assessment**

All programs involve some degree of risk to participants. If you choose to source a provider on your own, please remember to do some research on them first and ensure that they are a legitimate organisation and that the product they offer will definitely meet your requirements. Students are therefore advised to undertake their own risk assessment before enrolment and any participation in these programs is at their own risk.
