Welcome to UNSW Business

UNSW Business School would like to extend a warm welcome to all commencing students. Your Student Orientation gives you access to key information for successfully transitioning to university life, essential information on classes, student services, key academic dates and exclusive Career Accelerator opportunities that are available throughout your studies.

Beyond O-Week

O-Week comes and goes in a flash and can sometimes feel like information overload. Missed something important? Wish that you could go back and do it all again? We understand. Throughout your first term, we will continue to feature a range of opportunities to help you feel part of the Business School community. Be sure to look out for:

- The O-SSENTIALS eBook, an excellent resource providing all the relevant information delivered by the Business School during O-Week,
- BusFeed – exclusively for new students BusFeed is your guide to help navigate your first term at the Business School;
- Community Wednesdays online events hosted by Business School affiliated clubs and societies, the Career Accelerator team, Peer Mentoring and PASS (from Weeks 1 to 4);
- The BCommunity newsletter and channel that covers all undergraduate student community activities and events offered throughout the term; and

Keep in touch

Student clubs and societies
Involving yourself in student clubs and societies is a great way to:

- get connected to the UNSW Business School,
- help build leadership skills,
- meet people,
- and have fun.

With hundreds of student organisations across UNSW, you can find a group to call your own.
