Chalmers University of Technology Information Session

27 Oct 2020, 5:00pm - 6:00pm | Zoom Meeting - Register Below

**Chalmers University of Technology.** Sweden is hosting an information session for UNSW students interested in applying for Exchange in 2022. Innovation, sustainability, creativity and working on real world challenges are all part of the Chalmers University of Technology exchange experience. Courses in English are available at undergraduate and master’s levels.

Come along and find out what Chalmers is all about and discover what opportunities might be available for you.

Start planning now so you can maximize your experience and organize your courses.

The **UNSW Student Exchange Program** allows UNSW students the opportunity to study at a partner university for up to one year and bring credit back to their UNSW degree.
