This upcoming January, NTU will offer the first online edition of Winter+ Programs!

+1 Chinese Language and Culture (Online Chinese Program) is offered to students in order to improve Chinese language abilities by interacting with professional Chinese instructors and +2 Research and Culture (Online Research Program) is offered for students to participate in research led by prestigious NTU professors.

In addition, NTU also offer in-person Intensive Research Program for students without traveling restrictions to Taiwan.

+1 Chinese Language and Culture allows students to experience East Asian culture and acquire Mandarin Chinese competence. The program is based on a unique mix of Taiwanese culture and Mandarin Chinese courses. Culture lecture is conducted in English and studies different historical or sociocultural facets of Taiwan. Weekly field trips are offered in hopes of more profound immersion into East Asian culture.

+2 Research and Culture is a 6-week program where students participate in all fields of research at NTU's state-of-the-art laboratories and teacher's research office. Students will also benefit from NTU culture course.
