Here you can find peer support programs for mature age and HDR students.

**Mature age student peer support program**

MAPS is designed to introduce you to other mature age students and all that UNSW has to offer. MAPS includes group mentoring sessions and the opportunity to attend weekly events, seminars and activities run by UNSW departments and Arc (UNSW's student union).

**HDR student peer support program**
The Higher Degree Research (HDR) Peer Support Program is designed to support the transition of first year HDR candidates into UNSW.

Mentors and mentees will be part of a mentorship group where they can share resources, tips and advice, and network with others in the program.
