Published: 27 November 2020

The Office of the Pro-Vice Chancellor (International) is providing $1,500 Virtual Learning Abroad grants to selected UNSW students wishing to undertake virtual global mobility programs with an international partner/host.

The purpose of this grant is to encourage and assist UNSW students to participate in virtual learning abroad programs that fall outside the formal student exchange program. These programs include intensive courses, summer/winter courses, practicums/research placements, work integrated learning, unpaid internships and conferences where fees would incur.
