Positively influence the educational outcomes for young people and help increase access to higher education for underrepresented students and get paid to do so!

Access and Equity (Students) is UNSW’s flagship educational outreach program. It is founded on the belief that all students can succeed at university. They encourage and enable students from low socio-economic status backgrounds and rural, regional and remote areas to access and successfully participate in tertiary education.

As an Ambassador, you:

- Act as a powerful role model, share your insights and personal narrative around your experiences of education and university
• Lead engaging learning experiences specifically designed for high school students to build their confidence in their own academic abilities online, in-school and on-campus

• Participate in Q&A sessions with high school students, and answer questions about university, including detailed information on the UNSW Gateway Early Conditional Offer

• Partner with Access and Equity (Students) to support administrative delivery of program activities including; the design and development of learning experiences, data collection, input and analysis, event logistics, phone, email and online learning forum enquiries

• Access training, support and leadership development aligned to UNSW Graduate Attributes and receive recognition on your Australian Higher Education Graduation Statement

How much time do I need to commit to become an Ambassador?

If your application is successful, you will be required to attend a group interview on 11 or 12 January 2021 and participate in three days of compulsory face-to-face training: 18 - 20 January 2021.

After this, you commit to work at times that suit your schedule, usually 3 to 8 hour shifts.

Am I eligible?

All local students are eligible to apply.

Will I be paid?

Yes. The casual pay rate is currently Level 1, point 1: $34.56 per hour.

How do I apply?

Applications are open from Monday 23 November to Sunday 13 December 2020.
