Transport for NSW (TfNSW) has advised UNSW Sydney that direct bus routes between Central Station and UNSW's Kensington campus will be withdrawn at the end of T3 2020.

University bus routes which will be withdrawn include:

- 891 Central Eddy Ave to UNSW High St
- 893 UNSW High St to Central Eddy Ave
- 898 UNSW High St to Central Eddy Ave
From Monday, 21 December 2020, students and staff will be required to catch L2 or L3 Light Rail services or regular bus services from Central, including routes 393 and 395 or 392, 394, L94, 396, 397 and 399 from Circular Quay, Martin Place and St James.

TfNSW has met with UNSW to discuss this issue, and we are working closely with TfNSW to communicate the changes to students and staff. It is an important priority for us that the University community is easily and safely able to reach campus each day, and we continue to work with TfNSW on how to best meet the needs of our students and staff.

We encourage students and staff to visit TfNSW for up to date transport information and travel planning options.

Feedback, questions and complaints can be directed to Transport for NSW.
