Published: 19 February 2021

**Highlights:** The Summer Undergraduate Research Programme (SURP) provides an opportunity for undergraduate students from overseas universities to undertake research attachments for eight weeks at the Chinese University of Hong Kong (CUHK) from **28 June–20 August 2021**. Students will conduct research under the supervision of a CUHK faculty member and earn three credits upon successful completion of the programme. Due to travel restrictions brought by the COVID-19 pandemic, SURP will be conducted virtually in the summer of 2021 to allow students to take part in the programme without leaving home.

Students will have the opportunity to:

- Develop research skills and knowledge in a specific area of interest
- Join a world-class research team and work alongside leading experts in the field at home
- Experience postgraduate studies first hand
- Establish professional networks for future career
- Immerse in the local culture through virtual activities and excursions
- Discover new ideas through interaction with other international students
Some **50** research topics are offered by CUHK host supervisors. Please visit [HERE](http://unsw.aglobal.education/st-application) for more information.

**Enrolment Type:** Direct Enrolment

**Fees:** No tuition will be charged. A *deposit* of HK$1,560 (US$200) is required and will be refunded upon successful completion of the programme.

**Apply:**

Students should register their interest at [http://unsw.aglobal.education/st-application](http://unsw.aglobal.education/st-application) by 9:00am 8th March 2021.
