The Australian Government has introduced a new professional pathway for psychology and social work (including youth work, counselling and community work) degrees, from 2021.

What is a professional pathway degree?

Professional pathway degrees are those degrees in psychology and social work that are accredited by an accrediting body and lead to professional employment.

Further information on each of the professional pathways is available at [www.dese.gov.au/professional-pathways](http://www.dese.gov.au/professional-pathways)
