The ISU WU on-line is a short-term program offer for undergraduate and postgraduate students running in July. A minimum of two intensive weeks each are planned. Additionally, individual and group assignments are organized before and after the intensive weeks. Information on the program details (course outlines, fact sheets) can be found on the website.

The ISU WU on-line programs aim to provide students with an opportunity for intercultural exchange and academic growth in a distance-learning format. All on-line programs are build on three main important pillars: diversity, inclusivity and sustainability.

The following topics will be offered on-line in summer 2021:

- **Vienna Summer School of Responsible Entrepreneurship** (Undergraduate level)
- **Internationalization Strategy and Data Science** (Undergraduate level)

- **Supply Chain Management** (Graduate level)

**UNSW Application Deadline:**
