SNU Online ISP is an intensive six-week fully-online program for both Seoul National University and students from other universities overseas. Unlike previous years, **all courses and virtual exchange activities will be held online** and **SNU and international students can learn together and mingle virtually**. Along with 10 selected ISP electives mainly on Korean Studies subjects, 15+ regular undergraduate and graduate courses that are normally taught in SNU will be additionally provided from various disciplines.

**Part of the course offerings will be:**

*Korean Studies*

Two Koreas: Modern Korean History and Society  
Understanding Modern Politics of South and North Korea
Korean Traditional Music and Culture

East Asia & Int'l Studies

China in World Affairs
Human Rights Issues in East Asia
Pandemic Crisis and Global Health Policy
Understanding Global Public Policies and International Cooperation

Economics and Business

Korean Economic Development and World Trade
From Imitation to Innovation: Business Strategy in Emerging Economies

Engineering & Life Sciences

Korean Architecture and Urbanism

(Class dates vary within June 22 and August 2.)
