Highlights:

Ranked 13th globally*, NTU places you in an academically stimulating environment that is both culturally enriching and socially fulfilling. Our comprehensive and innovative approach towards education and research will help contribute to your future success and inspire you to realise your full potential.
This is the pilot run of our GEM Trailblazer Virtual Semester Exchange programme and we hope that through the diverse courses we offer, NTU could play a part in the attainment for some of your academic objectives and aspirations.

Nanyang Technological University (NTU) has topped the rankings for young universities for the sixth straight year. In Quacquarelli Symonds’ (QS) latest rankings of the world’s top 50 universities under 50 years old, NTU retained the No. 1 spot. The rankings shows the performance of universities focused on Science, Technology, Engineering and Math. The rankings regularly show top performance from our engineering faculty.

NTU offers courses in engineering, science, business, humanities, medicine, arts and social sciences, with the Lee Kong Chian School of Medicine being a jointly directed school between NTU and Imperial College London.

Restrictions:

During application, exchange students are required to select at least five courses per semester (in order of preference) for approval. Course approval is subjected to vacancies and pre-requisites. The Office of Academic Services will review your selection and assign courses to you accordingly (maximum of 8 AUs) subject to availability and meeting course requirements.

Students are allowed to take maximum of 8 Academic Units (AUs) subject to availability of course places.

Exchange students are not allowed to take restricted programmes and courses.

Links to the list of online courses offered by NTU and Exchange Fact Sheet are available under ‘More Information’ at the bottom of this post.

UNSW Eligibility Requirements

For UNSW virtual exchange eligibility requirements please see the Virtual Exchange section of the Student Exchange Tutorial

Enrolment and Fees

Limited exchange places available. Successful students will be enrolled in specific exchange course code(s) at UNSW for the terms they are undertaking their virtual exchange courses. Students continue to pay their tuition fees to UNSW.

How to Apply:

Please apply through the Virtual Exchange Application by 23 May 2021 (midnight).

Transfer of Credit:

If you are selected for this virtual student exchange program, you will be required to get partner university courses approved for credit by your UNSW Faculty. This is a condition of participating in the virtual student exchange program. Further information about the course approval process will be sent to you once you have submitted your application. Information is also available in the Student Exchange Tutorial

Please make sure you research the partner university online courses carefully to find suitable options for your degree.
