Applications for Interchange 2021 are now open!

INTERCHANGE is a virtual employability program that will introduce you to the world of entrepreneurship and innovation, whilst at the same time providing you with critical work experience for your resume and future job applications.

The program is for you if you want to build your career confidence. You do not need to have had any experience with entrepreneurship and innovation to participate. It is designed to help you upskill to become work-ready and start-up savvy over a fast paced, intense five week period.

The program includes:
1. Virtual Summits & Virtual Mastermind sessions touching on topics such as Teamwork, Introduction to Entrepreneurship, Communication & Pitching Skills, Presentation skills and more.
2. TedX style keynote presentation by successful entrepreneurs and leaders.
3. Virtual tours of international and local incubators and co-working spaces.
4. Team meet-ups with students from 7 universities.
Applications close 6 June.
