Program description

KGU first launched the KGU Semester Online Program a year ago to the day. Given the numerous positive feedbacks
they have received from participants of both the 2020 Fall Semester program and 2021 Spring Semester program, they are happy to continue to offer this alternative to physical mobility for the upcoming fall semester.

**Japanese Language Courses (JLC)**

A full selection of Japanese language courses focused on developing the students' four basic language skills.

**Japan Studies Courses (JSC)**

Learn about contemporary Japan from a variety of aspects such as society, culture, business, linguistics, and politics.

**Highlights:**

- All offered courses are credit-bearing courses. Take as many or as little as you want!
- Japanese Language Courses for lower levels (Level 1 to Level 4) are offered twice a day in hope to better fit your schedule
- An online buddy system has been introduced in the program
- Students can join weekly student-led events such as Virtual Tour, Quiz Contest, J-pop Night…

**Course Offering**

KGU will be offering two types of courses for the 2021 Fall Semester Online Program.

The majority of courses will be offered via livestream and will require you to be participating based on Japan Standard Time (JST).

You will find a detailed list of courses, with their teaching method, as well as their schedule in the **2021 Fall Semester Online Program | ?????? ??????????? | ?????? ??????????? (kwansei.ac.jp)**

?Taking the KGU Online Japanese Placement Test is mandatory for all students planning to register Japanese Language Courses (JLC).

**UNSW Eligibility Requirements**

For UNSW virtual exchange eligibility requirements please see the Virtual Exchange section of the **Student Exchange Tutorial**

**Enrolment and Fees**

VERY limited exchange places available. Successful students will be enrolled in specific exchange course code(s) at UNSW for the terms they are undertaking their virtual exchange courses. Students continue to pay their tuition fees to UNSW.

**How to Apply:**

Please apply through the **Virtual Exchange Application** 11:59 pm, 1 August 2021. Late applications cannot be accepted.

**Transfer of Credit:**

If you are selected for this virtual student exchange program, you will be required to get partner university courses approved for credit by your UNSW Faculty. This is a condition of participating in the virtual student exchange program.
Further information about the course approval process will be sent to you once you have submitted your application. Information is also available in the **Student Exchange Tutorial**

Please make sure you research the partner university online courses carefully to find suitable options for your degree.
