Welcome to UNSW!

This current student website is designed to support you while you're are studying at UNSW. Here you can find links to support information for new and enrolling students.

Join First Year Connect

First Year Connect helps you make the best possible start by connecting you with other new students to explore and discover student life together.

Getting started as a new student

Support for new enrolling students in accepting your offer and enrolling in courses.

Orientation week

Activities and workshops useful for both new and returning undergrad and postgrad students.

International students

Support on planning your arrival, preparing for uni and support for families.

Peer mentoring programs

Peer mentoring support for first year students.

Join Arc

Arc@UNSW is your student organisation for access to over 300 clubs and societies...
