Welcome to Student Support

The Student Support Team is always here to help with personalised advice and information about university life, student visas, wellbeing, academic performance or if you need help but don’t know where to go.

Our team of Student Support Advisors provide personal support and work with all students to promote the development of skills needed to navigate and succeed at university.

Meet the Advisors

Jo Cassidy (Manager, Student Support)

How long have you been at UNSW?
I started at UNSW in January 2020.

Favourite thing about my job
I love working with a team of people who are passionate about creating the best International student experience possible in a creative and meaningful way.

Stressbuster
I like to cook and chat on the phone with friends and family when I am feeling overwhelmed.
Pia Larsson (International Student Support Advisor)
Availabilities: Monday, Tuesday & Wednesday
Student Support

How long have you been at UNSW?
I've been working as an International Student Advisor at UNSW since 2010.

Favourite things about my job
Sharing the journeys of international students, meeting interesting people of all backgrounds and working with compassionate people.

Stressbuster
Being extra mindful about reconnecting with my body throughout the day, so that I can respond to what it needs and use its intelligence to guide me. I also love spending time by/in the ocean and having dance parties with my 2-year old, who particularly loves shuffling to Hammer Time.

Semra Tastan (International Student Support Advisor)
Availabilities: Tuesday, Wednesday & Friday
Student Support

How long have you been at UNSW?
I've been an International Student Advisor for the past 3 years and have worked at UNSW for 6 years.

Favourite thing about my job
I love working with students and being a part of their journey at UNSW.

Stressbuster
I like to spend time doodling or drawing when I am stressed.

Bridey Martin (Student Support Advisor)
Availabilities: Wednesday, Thursday & Friday
Student Support

How long have you been at UNSW
I have been working at UNSW for 2 years and am loving every minute of it (MINUS rainy days, cold days, days when my puppy is left at home (everyday!) windy and sticky/hot days, or days when I don’t get to sit in the sun)

Favourite thing about my job
Helping students find their own ways through difficult times and creating space for them to fall back in love with learning again!

Stressbuster
Painting, walking my puppy Junebug, and looking up memes about nature and art or reading about social workers doing justice!
Darcy Keogh (Student Support Advisor)
Availabilities: Monday, Tuesday & Wednesday

How long have you been at UNSW?
March 2020

Favourite thing about my job
There are many, but one that stands out is being able to offer students who are struggling the opportunity to be heard and seeing the relief that can come from this small act.

Stressbuster
Walks in the bush, practicing gratitude and daily meditation.

Michael Davidson (Student Support Advisor)
Availabilities: Wednesday, Thursday & Friday

How long have you been at UNSW?
Since July 2017 (almost 12 months in the Medical Faculty as a Student Admin Officer and the rest as a Student Support Advisor)

Favourite thing about my job
How rewarding it is, yet a great challenge at the same time. It is so beneficial to be able to help students on their journey and to guide, advise and support them in any way we can.

Stressbuster
To listen to music or to get out and enjoy a walk before and after work to process the day and reflect.
