Semester 2 2017 Under 18 Care Program Applications close 10 July 2017. Semester 1, 2018 Applications open 01 September 2017.

International students under the age of 18 on arrival in Australia must have approved accommodation and welfare arrangements in place before a student visa can be issued. These arrangements are regulated by the Australian government to ensure student safety and wellbeing.

Accommodation and Welfare Arrangements

Option 1 - Live in Australia with a parent/legal guardian or relative approved by Department of Immigration and Border Protection (DIBP)

For more information about this option please refer to the DIBP - http://www.border.gov.au

If you are living in Australia with a parent/legal guardian or relative approved by DIBP please complete the Under 18 International Students Living with an Approved Parent/Legal Guardian or Relative Notification Form before you accept your offer. You are also eligible to enrol in the UNSW Under 18 Care Program.

OR

Option 2 - Live in Australia unaccompanied by a parent, legal guardian, or a relative approved by DIBP and have a Care Arrangement approved by UNSW (fees apply). The Care Arrangement includes the Confirmation of Approved Accommodation and Welfare (CAAW) letter and the UNSW Under 18 Care Program.

This option requires UNSW to approve the student’s accommodation and welfare arrangements.

A Care Arrangement with UNSW requires students to:

1. Live in UNSW approved accommodation at either Unilodge@UNSW, Unilodge@Broadway or Urbanest Darling Square.
2. Participate in the UNSW Under 18 Care Program until you turn 18 years of age.

Students who are accepted for an Under 18 Care Arrangement will receive a Confirmation of Approved Accommodation and Welfare (CAAW) letter after they have accepted their offer to UNSW. The CAAW is then presented to the Department of Immigration and Border Protection (DIBP) when applying for a student visa.
