As a UNSW student, you have access to a large number of employment opportunities:

**UNSW Careers portal**

The main jobs board for students at UNSW is the Careers portal. Log in to the Careers portal for hundreds of casual, professional, volunteer and paid opportunities which are updated daily:

- Graduate programs
- Scholarships and cadetships
- Internships
- Part-time or casual employment
- and more

**UNSW Advantage opportunities**

See professional development, volunteer (and some paid) opportunities as student ambassadors as well as co-curricular opportunities such as the Career Leaders Program that are eligible to appear on your AHEGS.

**Arc jobs listing**

You can also find some paid and volunteer jobs listed with the Arc student organisation.

**Co-op internship vacancies for current students**

Get connected with our industry leaders in the Business, Technology, Science and Engineering to gain real world experiences.

**Research recruitment opportunities**

UNSW is investing at unprecedented levels to bring 1,000 of the world’s most talented researchers to Sydney by 2025, to join a community ranked amongst the global top 50.
