Are you a UNSW Faculty, School or Division currently offering a co-curricular activity or program to students? Are you a Student Organisation with an executive committee, or offering professional development or volunteering opportunities for your members?

We encourage you to nominate your co-curricular activities for recognition under UNSW Advantage. Recognition through UNSW Advantage enhances the prestige of what you offer and authorises the activity and executive position(s) to be listed on participating students’ official AHEGS.

Below are guidelines and information on best practice which detail the UNSW Advantage requirements in nominating and administering your opportunities.
