Re-Imagine….and discover the leader in you.

Registration into the program will open on the 14th of January 2019 with Leadership Training and events to commence from O Week (11th of February 2019)

Why – Our Purpose

We inspire you to re-imagine Leadership, so that you feel empowered to embody it.

How do we Achieve our Purpose?

We provide you with opportunities for learning, self-reflection and development of your strengths, values and passions that build the foundation for confidence to take the lead and empower others around you.

What is it that we do?
We are a Student Development co-curricular program open to all students at any point in their study at UNSW (AHEGS Accredited)

The program consists of formal learning through leadership training with a focus on self-awareness, awareness of others, self-management and relationship management, and applied practise through community engagement and volunteering.

Leadership Training will be available during each Term between weeks 2-7 with additional events and activities including Connect Week*

*Additional Leadership Training at the end of each term including opportunities for further networking and community building.
