New method of single sign-on!

UNSW is transitioning to a new method of web single sign-on that enables students and staff to log in once and automatically be signed on to multiple applications. This new method of sign-on is already in place for Outlook and other Office 365 products and will be rolled out to Moodle on 9 July 2020. Read more

You can still log in using these links:

**Moodle login**

The main learning management system for students.

**myUNSW login**

Your student portal for managing enrolment, fees, timetables and your program.

**Email login**

Access your student email. Email is the main way UNSW communicates with students.

**Microsoft Office 365**

Access Microsoft applications such as Word, Excel, PowerPoint and Teams online.

**Change your password**

Identity Manager enables you to change/reset your password or unlock your account.
