Single Sign On (SSO) for myUNSW will be launched on 19 September 2020

UNSW is transitioning to a new method of web single sign-on that enables students and staff to log in once and automatically be signed on to multiple applications. This new method of sign-on is already in place for Moodle, Outlook and other Office 365 products. You can still log in using these links:

**Moodle login**
The main learning management system for students.

**myUNSW login**
Your student portal for managing enrolment, fees, timetables and your program.

**Email login**
*How to access student email.* Email is the main way UNSW communicates with students.

**Microsoft Office 365**
Access Microsoft applications such as Word, Excel, PowerPoint and Teams online.

**Change your password**
Identity Manager enables you to change/reset your password or unlock your account.
