Use your knowledge and experience as a senior UNSW student (local or international) to help newly arrived international students adjust and feel at home in their new environment.

Cultural Mentors are students who provide valuable support and advice to commencing international students. Cultural Mentors are provided with training and the opportunity to develop communication, organization and interpersonal skills. Being a Cultural Mentor is a rewarding role and a wonderful opportunity to make new friends, get involved in fun activities and contribute to the successful transition of new students at UNSW.

Find out more at our Information Session on Friday 22 September.
