

## Past Exam Papers

You can browse through a list of **currently available exam papers** in the Library collection by searching for 'exam papers' as a subject using advanced search.

You can also check if the Library has access to exam papers for your course by searching the Library collection. Enter your course code without spaces (e.g. TABL2741). If an exam paper is listed, click on the 'View It' tab to access the resource.

**Please note:** the Library does not automatically receive copies of all **past exam papers** from the Examinations Team, and does not hold any papers prior to the **last five years**. If your exam paper is not listed in the Library collection you will need to contact your course convener.
