UNSW students are covered by UNSW Student Personal Accident Insurance for any injury that occurs when they are participating or engaged in a UNSW activity. Students are covered under the UNSW Personal Accident (PA) insurance program. Examples of activities that are covered include:

- classroom and lab work,
- fieldwork activities,
- UNSW approved work experience and
- participating in organised UNSW Sports and Recreation activities.

Students who are injured on campus are encouraged to seek medical attention first and foremost.
