Here you can find opportunities for UNSW students to study overseas.

See Exchange to UNSW for students of overseas / partner institutions.

Where you can go

Choose from 39 countries and 200 partner institutions

From China to Japan to the United States, you can choose from a wide range of courses at over 200 partner institutions. Many of our partners also teach their courses in English. UNSW is dedicated to providing a range of overseas study experiences and placements through prestigious networks such as Universitas 21, China 9 and the Global E3. Search our Partners to see where you can study.
What you can do

Exchange programs, short courses, internships...

Outlined below are the global education programs we offer:
