

## International Student Program Transfer & Confirmation of Enrolment

If you apply online to **transfer to another program** within UNSW you will receive a new Confirmation of Enrolment (CoE). When your program transfer is approved by the program authority, **Student Development International** will issue you with a new CoE.

It is your responsibility to check your new CoE as the program transfer may result in a change to your program length.

The new dates and course name will be included in your new CoE.

The new CoE will be sent to your student email account.
