If you want to learn more about Exchange, register for one of our information sessions. Information sessions are run in each application round. You may want to Subscribe for updates.

UNSW continues to monitor the COVID-19 situation and relies on advice from Australian Federal Departments as well as the Department of Foreign Affairs and Trade for travel related matters. While we are hopeful that travel can be possible for the second half of 2022, there is no guarantee and we recommend you are flexible with your plans. You should plan for virtual exchange too. Information will be updated on the Student Exchange Moodle tutorial as it becomes available. Please visit the UNSW COVID-19 website, in particular Travel Advice for the latest updates.
