

Campus Safety and Security

We want your time at UNSW to be a rewarding and safe educational experience. But with tens of thousands of students on campus, looking after each and every individual can be tough. So we place a big emphasis on providing resources and services that help you do your bit and take responsibility for your own safety and wellbeing.

Safety and wellbeing tutorial

The online Safety and Wellbeing Tutorial covers a lot of important information and it's fun! You can access the tutorial here for:

- **Tutorial for International students**
- **Tutorial for Domestic students**

Student Development International also run safety workshops on beach safety, staying safe on and off campus and women's health and safety which are highly recommended for **international students**. For dates and details of workshops and events go to **SDI Online Booking System**.
