We want your time at UNSW to be a rewarding and safe educational experience. But with tens of thousands of students on campus, looking after each and every individual can be tough. So we place a big emphasis on providing resources and services that help you do your bit and take responsibility for your own safety and wellbeing.

**Safety & wellbeing tutorial**

The online Safety and Wellbeing Tutorial covers a lot of important information and it's fun! You can access the tutorial here for:

- Tutorial for International students
- Tutorial for Domestic students

[Student Development International](https://www.studentdevelopment.unsw.edu.au) also run safety workshops on beach safety, staying safe on and off campus and women's health and safety which are highly recommended for [international students](https://www.studentdevelopment.unsw.edu.au). For dates and details of workshops and events go to [SDI Online Booking System](https://www.studentdevelopment.unsw.edu.au).
