Finances

OS-HELP
OS-HELP is a loan scheme from the Australian Government. The scheme allows you to borrow up to $7,500 AUD to help cover the cost of your program. The money is paid back via your HECS debt. Like other HECS debts, it is fee-free and interest-free. For more information, please contact your Study Abroad advisor or have a chat with our office inquiry team.

NEW COLOMBO PLAN FUNDS
Your university may have funds from the New Colombo Plan which you may be eligible to use for internships in select Asian countries. Speak with your Study Abroad advisor for more information.

UNIVERSITY SCHOLARSHIPS
Be sure to check with the international office on campus as there are often additional scholarships and grants sponsored by your university.

### Example Placements

#### Hospital de la Ribera  
in Valencia, Spain

Hospital de la Ribera is the Spanish pioneer of the mixed management model in the public health system by which a private company is awarded a contract to build and run a public hospital. The intern will assist the nurses with scheduling appointments, conducting illness prevention groups and discussing home care plans with patients.

#### Recycla  
in Santiago, Chile

Recycla is a not-for-profit foundation that promotes environmental education, recycling initiatives in Chile and research of new, innovative ways to recycle and reuse residual waste. The intern will work on new programs that promote recycling in public spaces, improvement of operations and increasing sustainable practices among lower-income and private schools.

#### MediaZen  
in Seoul, South Korea

MediaZen excels in the reinvention of vehicles and digital devices using voice-related context awareness. The intern will assist with language data creation and processing, testing speech recognition systems and proofreading technical documents.
